

# Earn HUGE Profits & Tax Exempt, Guaranteed Residual Income from YOUR OWN MINI BANK BUSINESS, that takes NO TIME to operate.

Last Year Canadian Banks earned over 1 Billion dollars, EACH. Most of their profit was made from small, secure, guaranteed transaction fees, most of us never pay any attention to.

Since Interac® deregulation in 1996 Canadians can open & operate their own bank (and bank machines). We need YOUR help keeping up with the NEW

opportunities that are coming in daily. We are interviewing business partners to help with these exciting opportunities Please attend a meeting, call, or email for meeting times while we are in your area.  
(We Teach you how YOU CAN PERSONALY PROFIT in this exciting and lucrative business)

At the Show, listen to our “5 min. presentation” & learn...

The World Wide *Banking SECRET* (and the Rules):

Rule# 1 Owner of the ATM, sets the fees. (No limit in Canada or U.S.A)

Rule #2 Owner of the ATM, makes the money.

Rule #3 Canadian Citizens (& Companies) may own their own ATMs.

Rule #4 We sponsor you into this Business, *following Interac® Rules*

At the Mini Bank Business Meeting You will learn HOW TO:

1. Own & Operate “A Business that works...so you don’t have to”
  2. Earn Lifetime Residual Incomes from ATMs & Bank Terminals
  3. Receive Guaranteed, Tax Exempt Profits into a bank of your choice
  4. Select from Hundreds of Locations (or Find Your Own Locations)
  5. Reduce your Income Taxes by up to 100%
  6. Create Recognition, Acceptance & Security for Friends & Family
- At the conclusion of the meeting we will give you a personal copy of *“The Mini Bank Business Plan”*
  - Your private meeting will last approximately one hour and will be a presentation of confidential facts and figures about the Mini Bank business.
  - You will be asked to provide general information about yourself & all partners (who must also attend).
  - If you are going to be late please call & reschedule or cancel so that we can accommodate other people.

**If you have any questions regarding investing into the ATM business  
Please contact Jim Gaudry, see below.**

**Nautilus**  
HYOSUNG

Mini-Bank  
1800 CE

The NH-1800 CE offers exceptional value with the power of a Microsoft® Windows® CE platform. Featuring a new topper design, it is also an attractive addition to any retail setting.

**Features**

**Maximum Reliability**  
The 1800 CE is designed to provide industry leading quality and reliability with highest uptime rates. The 1800 CE is designed to require minimal maintenance and all Nautilus Hyosung ATMs are tested for reliability and have a proven track record in the U.S. market.

**Security**  
A U.S. business-hour safe and PCI DSS (Encryption PFI) pass provide a secure transaction environment. For enhanced security choose an optional electronic or KASA Max Cannon safe lock.

**Capacity up to 4,000 Notes**  
A variety of cash dispensing configurations are available with a capacity of up to 4,000 notes. The 1800 CE is available with a 1,000 note reversible cassette or optional 2,000 note reversible cassette, upgradable to 4 cassettes.

**Secure Communications**  
The 1800 CE comes with TCP/IP (SSL, configurable) communication capability to support high-volume locations.

Shows with optional high-angle topper.

The NH-1800 CE is simply the best value in ATM solutions for the retail industry.

A Compact Wireless GPRS Terminal for Hospitality and Mobile applications

**Ingenico**  
7910

Mobile Range

- Ingenico introduces the 7910, a new GPRS long range wireless payment terminal ideal for both indoor and outdoor payment environments.
- Its ergonomic compact design and light weight provide a maximum convenience, robustness and comfort for mobile users.
- With its large backlit display, fast and easy loading process, long magnetic stripe reader and designed for low battery performance in the heart of 7910.
- Based on Ingenico's 32 bit architecture, the 7910 provides fast processing of powerful cryptographic algorithms.

ingenico

Secure transaction and payment solutions

# Why Does THIS business Work so well, for so many?
